

Maxim - already finished was trying to get Sofya to maybe finish quicker...

...Alan was enjoying it too....so was Elisaveta!

Wait - was there another chance for a win v GM?!?

...and YES there surely was - Gareth has managed to convert a fairly complicated position into what was maybe the best game of the night!  
Final position - mate in one!

...and Pavel has proudly got a draw v GM and getting his signature!

...last few standing...

...but not for long...

Proud organizers and a little tired GM!!!

Well done Mike, Alan, Tim!!!

Well done Peter!
